AEA PD Online Offers a Complete Training Solution

Convenience

Online trainings are self-paced, available any time. They are perfect for foundational knowledge and certification in mandatory topics, and typically take between 30-45 minutes to complete.

Local System Management

Your district can now manage your own employees on the statewide training server. This includes:

- Running completion reports
- Setting up district deadlines for completion
- Changing employee usernames or passwords
- Even creating your own trainings

New Features

The training system now includes new interactives making the learning experience even more engaging.

New Titles Coming in 2014

- Science Lab Safety
- Diversity Awareness and Cultural Competence
- Online Safety and Cyberbullying Prevention
- Understanding Copyright
- Crisis Response: School Violence
- Crisis Response: School Violence
